

Auto-Lift Fryers

Model: BLG, BLG-F, BLG-FC

Extra Large Volume Gas Automatic Lift Fryer with optional Computer and Filter

Easily implement and manage your fried food program with BKI's Gas Auto-Lift Fryers. Load the food, set the fryer with the microprocessor control and within minutes, a basket full of juicy, delicious food automatically rises and is ready to be served. BKI's patented "Quick-Disconnect" filtration system helps ensure a simple and easy filter assembly removal process. Highest quality construction stands up to heavy use. Exceptional pricing makes the BKI Gas Automatic Lift Fryer the profitable, value choice for any retail or catering business.
